### Our programs focus on:

- socializing with other students
- academic learning related to our daily topic
- crafts related to our daily story
- singing and dancing
- name recognition and writing practice
- color/shape/letter/number recognition
- outdoor activities on our playground and park district grounds

### In addition, 4-year-olds will:

- participate in science projects
- sorting and sequencing
- hands on computer lessons
- reinforced learning through centers and manipulatives
